1. All About Redbrick

Welcome to Redbrick

Redbrick
DCU's Networking Society

A Quick History of Redbrick

- Started up in 1995/96.
- Grew rapidly by providing student and society services.
- Developed into a robust and collaborative community.
- Branched into running student workshop and talks.

Conduct

DON'T:

- ❏ Touch anyone else's terminal.
- ❏ Host anything illegal, offensive or otherwise immoral on your shiny new server.
- ❏ Intentionally disrupt or interrupt the talk. Raise a hand or wait for a pause to ask questions!

DO:

- ❏ Bring friends, roommates, pet rocks... All are welcome!
- ❏ Ask questions! Don't be shy, we're here to help you!
- ❏ Work together! Two heads are (often) better than one.
- ❏ Be respectful to those around you, everyone is here to have fun.
